Peace and Neutrality Alliance - Comhaontas na Síochana is Neodrachta

Support Irish Neutrality Democracy & Independence

"Are we all clear that we want to build something that can aspire to be a world power?"

PANA advocates a democratic Europe, a partnership of Independent, democratic states, legal equals, without a military dimension. We seek a legally binding Protocol that would exclude Ireland from paying for, or involvement with, the European Rapid Reaction Force.

PANA advocates that a transformed United Nations, as the only inclusive global organisation committed to collective security and human rights rather than an EU/NATO military bloc, should be the institution through which Ireland should pursue its security concerns. Join PANA in its campaign to advocate Irish independence, Irish democracy and Irish neutrality and to reform the United Nations.
